About Calvay Housing Association Ltd

Calvay Housing Association Ltd is a community controlled housing association operating in the Barlanark neighbourhood, which is located in the East End of Glasgow. The Association was established in 1985 to improve the housing conditions of local residents. Since then, the Association has gone on to refurbish in excess of 350 homes and has completed several phases of new build, creating new homes in the area.

The Association is a tenant controlled organisation, with day-to-day control in the hands of a voluntary management committee. With the support of the staff and consultants, the committee set the policies and strategies for the Association as well as monitoring and managing performance.

- We will be open and accountable to you.
- We will strive to get better at what we do

Introduction to Calvay Housing Association's Guide to Information

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to adopt and maintain a publication scheme which has the approval of the Scottish Information Commissioner and publish information in accordance with that scheme. The publication scheme must:

- publish the classes of information that the authority makes routinely available
- tell the public how to access the information and whether information is available free of charge or on payment

Calvay Housing Association has been designated as a Scottish Public Authority by an order made under section 5 of the Act, known as the Freedom of Information (Scotland) Act 2002 (Designation of Persons as Scottish Public Authorities) Order 2013.

Calvay Housing Association has adopted the **Model Publication Scheme 2018** which has been produced and approved by the Scottish Information Commissioner. The MPS is a standard framework for Scottish public authorities to publish the information they hold.

You can see this [scheme](#) on our website or by contacting us at the address in the [Contact Us](#) section if you prefer a copy to be provided to you in another format.

It is also available on the Scottish Information Commissioner's [website](#).

The purpose of the Guide to Information is to:

- allow the public to see what information is available (and what is not available) for Calvay Housing Association in relation to each class in the Model Publication Scheme 2018
- state what charges may be applied
- explain how to find the information easily
- provide contact details for enquiries and to get help with access to the information
- explain how to request information that has not been published.

Alongside the Act, the Environmental Information (Scotland) Regulations 2004 (the EIRs) provide a separate right of access to the environmental information that we hold. This guide to information also contains details of the environmental information that we routinely make available.

The Model Publication Scheme Principles

The MPS imposes six principles which govern the way we must make our information available through our Guide to Information:

- Principle 1: Availability and formats
- Principle 2: Exempt information

- Principle 3: Copyright and re-use
- Principle 4: Charges
- Principle 5: Advice and assistance
- Principle 6: Duration

Principle One: Availability and formats

The information published through the Model Publication Scheme is, wherever possible, available on our website. In the Classes of Information section, select the class required.

We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at our premises. For example, we can usually arrange to send information to you in paper copy (although there may be a charge for this – see “Principle 4: Charges”).

Advice and assistance:

If you have any difficulty identifying the information you want to access, then please contact us to help you.

Principle Two: Exempt information

We will publish all the information we hold that falls within the classes of information. If a document contains information that is exempt under Scotland’s freedom of information laws (for example sensitive personal information or a trade secret), we will remove or redact (black out) the information before publication and explain why.

Principle Three: Copyright and re-use

Where Calvay Housing Association holds the copyright in its published information, the information may be copied or reproduced without formal permission, provided that:

- It is copied or reproduced accurately
- It is not used in a misleading context, and
- The source of the material is identified

Where Calvay Housing Association does not hold copyright in information we publish, we will make this clear.

Principle Four: Charges

This section explains when we may make a charge for our publications and how any charge will be calculated. There is no charge to view information on our website or at our premises.

We may charge for providing information to you, but we will charge you no more than it costs us to do so. We will always tell you what the cost is before providing the information to you.

Our photocopying charge per side of paper is shown in the tables below:

Black & White Photocopying

Size of Paper	Pence per sheet
A4	15p
A3	25p

Colour Photocopying

Size of Paper	Pence per sheet
A4	25p
A3	40p

Alternative Formats

Format	Charge
Computer Discs	£1.00 per CD-ROM
Memory Stick	£8.00 per Memory Stick

Postage Costs

Postage costs may be recharged at the rate we paid to send the information to you. Our charge is for sending information by Royal Mail First Class.

When providing copies of pre-printed publications, we will charge no more than the cost per copy of the total print run.

We do not pass on any other costs to you in relation to our published information.

Charges for information which is not available under the scheme:

If you submit a request to us for information which is not available in this Guide the charges will be based on the following calculations:

General information requests

- There will be no charge for information requests which cost us £100 or less to process
- Where information costs between £100 and £600 to provide you may be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50 calculated on the basis of a waiver for the first £100 and 10% of the remaining £500
- We are not obliged to respond to requests which will cost us over £600 to process
- In calculating any fee, staff time will be calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour
- We do not charge for the time to determine whether we hold the information requested, nor for the time it takes to decide whether the information can be released. Charges may be made for locating, retrieving and providing information to you
- In the event that we decide to impose a charge we will issue you with notification of the charge (a fees notice) and how it has been calculated. You will have three months from the date of issue of the fees notice in which to decide whether to pay the charge. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges for Environmental Information

Environmental information is provided under the EIRs rather than FOISA. The rules for charging for environmental information are slightly different.

We do not charge for the time to determine whether we hold the environmental information requested or deciding whether the information can be released. Charges may be made for locating, retrieving and providing information to you

e.g. photocopying and postage. If we decide to impose a charge, we will issue you with notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges are calculated based on the actual cost to Calvay Housing Association of providing the information.

- Photocopying is charged at 15p per A4 sheet for black and white copying, 25p per A4 sheet for colour copying.
- Postage is charged at actual rate for Royal Mail First Class.
- Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.

The first £100 worth of information will be provided to you without charge.

Where information costs between £100 and £600 to provide, you will be asked to pay 10% of the cost. That is, if you were to ask for information that cost us £600 to provide, you would be asked to pay £50, calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

Where it would cost more than £600 to provide the information to you, however, we will ask you to pay the full cost of providing the information, with no waiver for any portion of the cost.

Charge for request for your own personal data

There is no charge* for requesting your own personal data under the General Data Protection Regulation (GDPR) Subject Access Request.

We must provide a copy of the information **free of charge**. *However, we can charge a 'reasonable fee' when a request is manifestly unfounded or excessive, particularly if it is repetitive.

We may also charge a reasonable fee to comply with requests for further copies of the same information. This does not mean that we can charge for all subsequent access requests.

The fee must be based on the administrative cost of providing the information.

Further information on GDPR can be found on the Information Commissioner's Office [website](#).
